MULCHmadness

WHY MULCH matters

A thick layer of mulch is your best, most natural defense in keeping:

- + weeds out
- + soil cool
- + water in

The best time to mulch is now, before most plants have emerged.

Which is why we're mad about mulch!

HOW MUCH mulch?

Delivery of 5 yards or more is **FREE!**

(Some limits on delivery zone. Purchase by April 15.)

A good rule of thumb when calculating how much mulch you'll need:

- ▶ multiply bed length by width = square footage of bed
- 100 square feet = 1 yard of mulch

Too much math? No problem, just ask your Altum's associate for help.

ALTUM'S mulch

Altum's very own mulch is available in 2 cubic foot bags or by the yard.
